On Old Home Day in August we had another book sale and made \$37.60. Monies from these sales went toward purchasing new books. Thanks to all the people who donated books, magazines and services to the library in 1995.

The library is open Mondays and Thursdays from 3 pm to 8 pm. If a holiday or bad weather falls on one of these days we will be open the following day.

SURRY VOLUNTEER FIRE DEPARTMENT - 1995

Members continued their activities this year on all fronts both emergency and town support projects. It was a typical year call-wise with no major fire losses. Medical calls continued to outnumber fire calls with a mix of auto accidents as well. We did a public assist burn of a garage at David Smith's residence this summer.

Members Mike Bisson and William Williams completed the Firefighter I course this spring. This represented a large commitment of time and effort on their part and brings to 10 the number of certified firefighters on our department.

A big Thanks to all who helped on the removal of trees and the old roof as part of the re-roofing of the fire station. In the midst of summer heat we replaced the roof with a new metal one. We are pleased with its new appearance and performance.

Carbon monoxide detectors are new allies in personal protection. There are several types now available and are a good mate to your smoke detectors.

We suggest you consider the resettable type as some models use a one-time module which will not reset after tripped. Replacement modules are fairly expensive to replace. Carbon monoxide detectors are not a replacement for smoke detectors but rather a supplement with a specific hazard application; so check your smoke detector regularly.

David Campbell, a new member and Surry resident, comes from Alstead fire department, is certified in firefighter I. Ken Maynard is now a Deputy Forest Fire Warden and can issue fire permits which are needed when there is now snow cover.

Remember, use your seat belts, check smoke detector batteries and consider joining the fire department.

Thankful for your support,

Surry Fire Engineers
John Berglund
Roger Bienvenu
Sheila Phillips

REPORT OF THE SURRY POLICE DEPARTMENT

The Police Department had an increase in activity from last year. We also had our busiest year to date covering Motor Vehicle Accidents. Fortunately, only one resulted in serious bodily injury.

Training still remains an important part of Police work. The Department attended numerous classes that resulted in our completing the mandatory in-service training requirements set by the state. This year ('96) we'll be needing to attend some training in Concord. This being the result of some state cut-backs and some of the training usually offered locally, no longer will be.

The Army Corps of Engineers did indeed start charging an entrance fee to the Rec Area this past summer. They still have some "bugs" to work out with the way the entrance fee system is being handled, but overall, it worked out okay. General activity relating to the dam dropped as a result of having someone present at the Main entrance. However, as expected, we did experience a few vehicles parked along Rt. 12A while the occupants had gone through the woods to avoid going through the Main gate.

Once again, please remember that the Rec Area closes at 8:00 pm Sharp!

Our major purchase this year was a new Motorola Spectra police radio for the cruiser. This replaced the General Electric Delta SC that has been in service since we set up the cruiser. The GE was used when we bought it, and over the years had developed a few problems. It was decided to just replace it as opposed to keep repairing it. The Motorola radio is a State-of-the-Art truck mount unit that also supports unit ID. What this does is on every transmission, the radio also sends a unique ID that can tell dispatch that the Surry Cruiser is calling.

Last year the town voted to establish a capital reserve fund for replacement of the Police Cruiser. We hope to continue adding to this fund.

Thank you once again is extended to the Surry Fire, Rescue and Highway departments for their continued assistance and support throughout the year.

REPORT OF THE SURRY RECREATION DEPARTMENT
1995

The Surry Recreational Committee put on two events for the 1995 year. Old Home Day was held on August 19. We had line dancing, a chicken barbeque, dog show, antique car show, square dancing, kids games and a contest, craft demonstration, photo contest, face painting, plant contest and demonstration. Crafters set up on the Common and we all had a great time. Thanks to all who had helped out in time of need.

The Apple Pie Festival was held on October 7th. In spite of the rainy weather we had a great turnout for this event. The oldies station, WXOD, did a 2 ½ hour remote for additional advertisement, apple pies sold out in just a couple of hours, crafters made out well. We had a scarecrow workshop and antique cars were in the field. Many thanks to those who lent a helping hand.

Upcoming events planned for the 1996 year are as follows... Buffet Dinner 2/24, Murder Party (for adults in March, date to be announced at a later time), Egg Hunt 4/6, Old Home Day 8/17, Apple Pie Festival 10/12. Hope you can join us for these events.

Sincerely,

Karin Willson

REPORT OF SURRY HISTORY COMMITTEE -- 1995

The History Committee continues to meet on the fourth Tuesday of each month in the lower Town Hall at 7:00 PM.

This past year we have continued to slowly make progress in gathering information for our book, however, many local organizations still have not responded; to name a few, Boy Scouts, Parent/Teacher Association, Police Department, Highway Department, Veterans, 4-H and others.

On October 20, 1995 we sponsored a free Ham and Bean Supper for any former resident or current resident; the only condition was, that you provide us with a copy of your genealogy. This proved very successful with thirty-seven people present. We are planning a Covered Dish Supper in the spring in hopes to further interest in our project.

Late this winter we plan to go as a group to the Northeast Archival Center in Waltham, Mass. on a Research Project for the years between 1920 until 1940. This should be real interesting.

I want to thank the committee for their dedication and devotion to the project and the effort that has been demonstrated since we started.

Much of my time has been spent answering letters and looking up information for descendants of early inhabitants from all over the country.

Thank you for the continued support. Please come join us -- we need your help.
